Sales Consultant

Description

Our client is a well-established and reputable Custom Home Builder that specializes in creating bespoke homes that reflect their clients' unique visions. The business has been in the industry for decades and is well-known to deliver design innovation, exceptional attention to detail, careful craftsmanship and high-quality construction backed by their award-winning team.

They are seeking an experienced and results-driven **Sales Consultant** to join their team, who can build rapport quickly, relate to customer needs and provide professional service to the clients and customers as they build their dream homes.

Company Description

- An energetic Custom Home Builder carrying out exceptional design and quality finish that turns your dream home into a reality
- A business that strives to uphold their core values to ensure outstanding results for all projects.
- Be part of a dynamic team that strives for continuous improvement and provides personal development opportunities and growth

Working environment

- The company is recognized as a well-respected custom home building specialist. This company prides itself on having an incredibly talented and dedicated team and aims to provide their clients and stakeholders the highest standard of workmanship, quality and service.

Responsibilities

- Build and maintain relationships with potential clients, working to understand their needs and provide expert advice on our custom home building offerings.
- Expertly match our products and services to client's needs both in-store and in-home visits
- Meet and exceed sales targets by promoting the business' products and services through effective communication and customer service.
- Conduct product demonstrations and provide technical support to clients.
- Develop and maintain a comprehensive understanding of our product offerings and market trends.
- Work collaboratively with the design and construction team to ensure client needs are met and projects are delivered to the highest quality standards.
- Manage client relationships throughout the sales process, from initial
